

# Keys to Mathematical Success

## *A Professional Learning Series*

Grades K - 12 | Oxford, MS | 0.6 CEUs per Session

Establishing Mathematical  
Goals and Selecting Appropriate  
Tasks

**November 30, 2018**

Facilitating Meaningful  
Discourse and Posing Purposeful  
Questions

**February 1, 2019**

During this four-part series, teachers will  
explore how they can implement these  
practices to impact student learning.  
Join us for one session or all four sessions.

Connecting Mathematical  
Representations and Building  
Procedural Fluency

**April 12, 2019**

Supporting Productive  
Struggle and Eliciting Student  
Thinking

**June 7, 2019**
