

A close-up, artistic photograph of the American flag, showing the stars and stripes in a draped, flowing manner. The flag is positioned on the left side of the image, with the stars in the upper left and the stripes extending downwards and to the right. The background is a dark, textured surface, possibly a wall or a backdrop, which makes the colors of the flag stand out.

# CIVILIAN RESPONSE TO ACTIVE SHOOTER EVENTS

**Sponsored by the Mississippi Department of Education and Mississippi Office of Homeland Security**

The Civilian Response to Active Shooter Events (CRASE) course, designed and built on the Avoid, Deny, Defend strategy developed by ALERRT in 2004, is a training session that provides strategies, guidance and a proven plan for surviving an active shooter event. Topics include the history and prevalence of active shooter events, the role of professional guardians, civilian response options, medical issues, and drills
