MATHCOUNTS[®]

COMPETITION SERIES

EST. 1983

Are you a middle school math teacher who wants to inspire a love of mathematics in your students? MATHCOUNTS[®] is a national middle school mathematics competition designed to help all students experience the beauty and joy of mathematics.

During the Coaches Clinic, participants will learn about the different components of the competition, resources available to help prepare teams, and collaborate with experienced coaches. Please visit the CMSE website for more information.
