

## **MCTM Annual Conference**

**November 8-9, 2019**

**William Carey University; Hattiesburg, MS**

Dr. Trena Wilkerson will provide our keynote address at our annual conference on November 8th. Dr. Wilkerson is currently serving as the President-Elect for NCTM and serves as a mathematics education professor in the Department of Curriculum and Instruction at Baylor University in Waco, TX. She taught high school mathematics for 18 years and has been published in several NCTM journals.

Please visit our website at [www.mctmonline.com](http://www.mctmonline.com) for more information about the upcoming conference.
