Unlike vinyl decals or taped down messages, the Sani Guard Floor Mats are easily repositioned to any location where safety messages are needed. The extra weight construction stays down without the need of adhesives that can leave residue on the floor.

- Large 24"x36" floor mats
- Message mats in high contrasting colors
- Made from 100% recycled materials
- The non-slip carpet surface is made from plastic bottles and molded to a durable recycled rubber backing
- The carpet surface traps dirt and moisture for extra safety
- For indoor or outdoor use. Ideal for entrances, restrooms or anywhere a reminder is needed
- Made in USA
