INFRARED TEMP KIOSK

DESCRIPTION

These non-contact kiosks automatically read body temperature from a foot away in seconds while minimizing the risk of cross-contamination. These kiosks are invaluable to carry out employee temperature checks to help identify illnesses and avoid the spread of disease. When abnormal temperature is detected, an alarm is automatically sounded alerting the user.

Item	Description	Price	ETA
SSV1081D*	Temperature Kiosk - Counter Model	\$1,999.00	Early August
SSV1081DFL*	Temperature Kiosk - Floor Stand Model	\$2,299.00	Early August
