**FOCUS ON NRSC RESOURCES: IXL**

**Monday, November 2, 2020 ♦ 3:00—4:00 PM**

IXL is an educational virtual curriculum platform for K-12, which is fully aligned to MS College and Career Readiness Standards for Math!

NRSC offers a *FREE* subscription to all Mississippi Students who are Deaf or Hard of Hearing in the areas of Math and ELA

*IXL is an especially useful instructional tool during this time of virtual/hybrid instruction. It is the only "Deaf Friendly" software I have found that Deaf students can do independently.*
