**Pascagoula River
Audubon Center**

In an ever changing world Geography Education is essential. This summer, the Mississippi Geographic Alliance is partnering with the Pascagoula River Audubon Center to present a virtual Geo Inquiry Institute.

Participants will engage in virtual instruction via Canvas of which 15 hours will be virtual instruction/sessions. Participants will also engage in group and individual activities.

They will learn how to use the inquiry process to guide students in gathering and analyzing information through a geographic lens after which they create a compelling story and design ways that they can change their world.

Dates: June 1-4, 2021
