Need extra support with your teacher and/or student devices?
We've got you covered!

This week's friEd PD Feature of the Week is all about that Chromebook!
BUT even if you are not a Chromebook user, make sure to check out
the wide-variety of resources and professional development
opportunities under the ALL DEVICES section.
There's something for everyone!

CHROMEBOOKS

Chromebook Simulator

Left your Chromebook at school or home? On the fence about purchasing Chromebooks for your school or classroom? No problem!

Check out this FREE simulator to interact with all of the Chromebook features from any Internet-connected device! It provides tutorials that explain basic features and functionality through an interactive interface with a step-by-step walkthrough.

Chromebook Simulator

Chromebook Scavenger Hunt (Self-paced Challenge)

Use the ready-to-share interactive Chromebook Scavenger Hunt Challenges for Teachers and Students to get more familiar with your device in a fun and engaging way!

Teacher Edition

Click the button below for instructions. Teachers who complete the Scavenger Hunt and fill out the eval form, will get a friEdCertified Badge to display! *Badges are not connected to CEUs/SEMI

Teacher Edition

Student Edition

Click the button below for instructions. Interested in having students earn a badge for completing the student version? Email ms.help@friedtechnology.com for more information!

Student Edition

APPLE PD OPPORTUNITIES

Did you know that Apple offers FREE Virtual Conferences to educators every month, including webinars like Getting to Know Your iPad and Lead with iPad: Teamwork.

Apple Professional Learning Virtual Conferences

But wait.. there's more! Teachers can email AppleProfessionalLearning@apple.com and request a free 30-minute one-to-one coaching session. This is a great way to get questions answered, learn a new app, or brainstorm ideas for a workflow or lesson. They are offering this to individuals and small groups!

ALL DEVICES

Educators

This nifty Computer Use Expectations Poster offers some quick and helpful tips for

making sure your Chromebook is safe and protected. AND, the template can be customized for ANY device!

Administrators

Need more Device Support for your campus or district?

Campus or District Administrators can request a webinar from our friEdTechnology PD Catalogue, including the following device-specific sessions:

- Mixing It Up with Mismatched Devices: “My students have Chromebooks, but I don’t. What do I do?”
- “Welcome to Windows 10:” Getting the most out of your Windows 10 laptop.”
- Chromebooks for Teachers

NOTE: Teachers who complete our friEdTechnology eval form after each session will receive a badge to share in their classrooms, their email signature line, and/or social media! *Badges are not connected to CEUs/SEMI
