ASSURANCE

- I confirm that all school district personnel (certified and classified) have attended Mental Health Training as outlined in Miss. Code Ann. §37-3-83.
(9) As a component of the comprehensive local school district safety plan required under subsection (2) of this section, beginning in the 2019-2020 school year, the State Department of Education shall require local school districts to conduct, every two (2) years, refresher training on mental health and suicide prevention for all school employees and personnel, including all cafeteria workers, custodians, teachers, and administrators. The Mississippi Department of Mental Health shall be responsible for the development and/or selection of the content of the training, which training shall be provided at no cost to school employees. School districts shall report completion of the training to the State Department of Education.
- I understand that as the Mental Health Coordinator or designee for my school district, I must make sure all forthcoming new employees are properly trained.
- I understand that I must keep documentation (i.e. sign-in sheet, certificate, etc.) of training.
