

STEM

ENGINEERING & CONSTRUCTION CAMP

JUNE 12 – 18, 2022

VICKSBURG, MS

Campers will be mentored and coached by Science, Technology, Engineering, and Mathematics (STEM) professionals as they participate in hands-on engineering activities and tackle real engineering challenges for one week in the the strong engineering and construction community in and around Vicksburg. Throughout the duration of this residential camp, students will gain experience in problem-solving, teamwork, leadership, and communication.

ARE YOU?

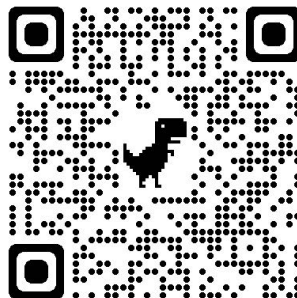

- An incoming Junior or Senior of High School in Fall 2022? Must be at least 15 years old at time of camp
- Interested in engineering or a related field?
- Involved in extra-curricular activities, sports, and/or community activities?
- Prepared to be active during the week of Camp?
- A team player?

COST:

The registration fee for the camp is \$100. This includes, lodging, meals, materials, instruction, and mentoring.

TO APPLY:

Visit <https://samevicksburg.org/engineering-camp/> then follow the instructions in the camp application tab. **The deadline to apply is March 15, 2022**
