ACT WorkKeys® Scores?

Let's Review!

Jumpstart
Complete ACT WorkKeys® Review

Pilot Opportunity

Selected schools will participate in outcome improvement research after utilizing the Jumpstart ACT WorkKeys® review product at no cost other than actual WorkKeys® testing and retesting cost.

- The program provides consumable workbooks and individual access accounts for students and selected teachers.

- Online streaming video modules are proctored in the classroom by your assigned teachers. Modules lead review, timed practice, and provide complete rationale for challenge questions – all as students follow along in their individual consumable workbook. The program outline is listed herein.

Qualifying schools will have already provided the ACT WorkKeys® exam prior to Jumpstart Review implementation – the results of this attempt for individual students will be used as a baseline score for this efficacy research.

Applying schools agree to:

1. Provide their student pre-data using program provided excel template
2. Plan the implementation of the review described fully herein
3. Bear the cost to schedule and administer a WorkKeys® retest (3-sections) with the group.
4. Provide their student post-data using program provided excel template

Efficacy research individual student data will be kept confidential and not disclosed for this research.

Scheduling Implementation

The results of the Jumpstart WorkKeys® review will be optimized when completing in a near time frame to test day. Every school is unique with individual student strengths and needs, student–adult ratios, and varied time for instruction. Therefore, there is no one-size-fits-all approach to developing the implementation schedule, however a boot camp model is preferred as described below.

Jumpstart ACT WorkKeys® - 6 or 7 Day Boot Camp Prior to Re-testing

_____ (High School Name) is interested in being considered as a pilot high school in the 2022-23 Jumpstart Test Prep **Complete ACT WorkKeys® Review Program** through the Mississippi Department of Education. If chosen as a pilot high school for the 2022-23 school year, it is understood that my school will meet the following implementation expectations:

1. Identify all teachers that will proctor the review for selected students and require their attendance to a 1-hour Jumpstart Test Prep orientation and training meeting conduced on school campus or by Zoom during the following window of time: September 30, 2022 – December 31, 2022. The exact date of the faculty orientation and training meeting will be identified jointly by each selected high school and Jumpstart Test Prep staff via email.

2. Distribute to all selected students a Jumpstart Test Prep ACT WorkKeys® workbook, and individual student access account credentials.
   Our accurate n-count of selected students as of today is _____.
   The number of these students with a prior ACT WorkKeys® exam score to date is _____.
   Selected high schools will receive their shipment of workbooks at orientation meeting.
   The workbooks will be used to complement the online resources of the Jumpstart Complete ACT WorkKeys® Review program.

3. Selected schools, along with pilot students, will have access to the Jumpstart online review content following their pre-test date through the end of the school year (May 31, 2023). Prior to ACT WorkKeys® post-testing, selected schools agree to schedule and proctor the use of the Jumpstart Test Prep Complete ACT WorkKeys® Review (4, 30-minute modules plus a pre and post applied math online assessment) through:

CLASSROOM USE: Beginning 8 school days prior to re-test date, schedule and complete Jumpstart's online, on-demand complete ACT WorkKeys® review inside the classroom through a combination of whole-class instruction (Preferred - 1 projector in the classroom, 1 workbook per student) and/or individualized learning (1 student per device in a computer lab, or through 1:1 devices in the classroom)

Reporting:

4. Each principal and teacher proctor will participate in a brief 10-question online evaluation process in March 2023 conducted through SurveyMonkey.

5. Provide ACT WorkKeys® pre and post assessment data with Jumpstart Test Prep as part of the pilot program research program. Specifically, provide a data comparison for selected students with any prior actual ACT WorkKeys® scores to their post Jumpstart Review scores following the Jumpstart ACT WorkKeys® Review. Reporting of this individual student comparison to Jumpstart Test Prep must be made by March 31, 2023 (or as soon as the data is received by the school). Efficacy research individual student data will be kept confidential and not disclosed for this research.

By signing below, you are verifying that you have read this information in its entirety and understand your high school's commitment as a pilot site if randomly selected.
