in INTERVENTION for Individuals
Having Both Hearing & Vision Impairments (DEAF-BLINDNESS)
for Families Educators, Paraprofessionals, Related Service Providers, & Administrators**

The Open Hands Open Access (OHOA) Deaf-Blind Intervener Learning Modules are a free online national resource designed to increase awareness, knowledge, and skills related to intervention for students who are deaf-blind and are being served in educational and community settings.

Instructional methods used in the Modules:

Readings, Discussion Boards, Assignments based on your Child/Student, Video reviews, Reflections upon experiences, etc.

Benefits to your work:

Apply your learning to your Child/Student • Document & realize Child/Student progress
Obtain regular feedback on your assignments • Gain additional expertise through the Collaborative Learning
Benefit from shared ideas, resources, & extended support

Complete each Module in about 7 hours on your own time during the scheduled time period!

Tina Hertzog, one of the module contributors, will be your -Module "Trainer." She'll be answering questions, supporting your understanding of content & technology, & enriching your learning with her extensive professional insight!
