SETTING EXPECTATIONS for TRANSFORMATION

Have you heard the news? The REVISED standards for professional learning have been released! Get READY to engage with colleagues across the state as we SET expectations for transformation for schools and districts. Join Learning Forward Mississippi as we learn from national and state educators who have first-hand knowledge of establishing conditions for success. It's GOing to be an amazing opportunity to embrace the 11 standards that will yield equitable outcomes for teaching and learning. Is your school/district ready for transformation? Registration is now available!
