

Let AEOP help prepare you for the STEM careers of tomorrow

The Army Educational Outreach Program offers summer, semester and year-round apprenticeships for undergraduate students throughout the country. Elevate your STEM knowledge and experience, and take part in research that is shaping the future of our nation.

WHY PARTICIPATE?

- Connect with professional and near-peer mentors
- Earn a stipend
- Gain a competitive edge on your resume
- Learn about the culture of STEM and lab research
- Participate in webinars on topics relevant to exactly where you are in your STEM journey
- Work on cutting-edge research in a state-of-the-art facility

LOCATIONS

*Locations in purple; subject to change.
