

Join the **MAAP** **Math Missions Madness** **Contest!**

Getting ready for MAAP? Don't worry, Paper is here to help! Students can now practice MS CCRS-aligned math missions labeled "**Mississippi Test Prep**".

The best part? If students get stuck, they can screenshot the problem and share it in a Live Chat session. Our dedicated math tutors will guide them through each step.

How does the contest work?

Contest dates: March 1st - March 31st

Students will need to **complete as many Paper Missions activities as they can** during the contest dates for a chance to win the grand prize!

The **top 3 students across each region** will receive a box full of Paper Swag!

How do students enter?

1

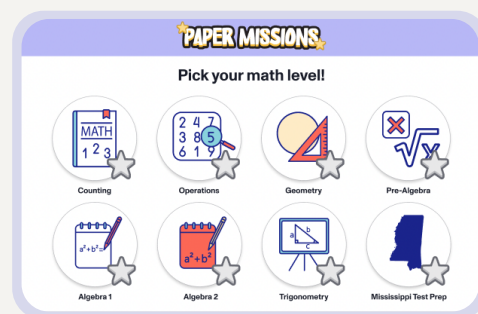

Log on to Paper between **March 1st - 31st**

2

Select **"Practice math games"**

3

Successfully complete as many missions as you can by **March 31st!**
