# SOUTHEAST ACT CONFERENCE

**BRYANT CONFERENCE CENTER**

December 5-6, 2023

**ACT** State  
Organizations

## ACT is pleased to announce the **2023 Southeast ACT Conference**

Focusing on ACT's mission of helping people achieve education and workplace success, the event will feature keynotes and breakout sessions on preparing students for success in both college and career. Join us at **Bryant Conference Center in Tuscaloosa, AL December 5-6, 2023**. If you are unable to join us in person, we have virtual options for both the conference and pre-conference sessions. All sessions will be recorded so even if you cannot join us live, you can enjoy the sessions anytime.

### **Why You Should Attend**

Education and workforce professionals will come together to discuss the diverse needs of today's learners and learn a variety of methods to address these needs. You'll learn about key education and workforce initiatives to help foster positive change throughout your community. Networking opportunities will provide time to get to know one another and discuss best practices in preparing *all* learners for college and career success.

We are offering two amazing pre-conference options available the morning of December 5.
