

EARLY CHILDHOOD PBIS TIER 3 TRAINING

PREVENT, TEACH, REINFORCE, DE-ESCALATE, ASSESS, DEVELOP, AND IMPLEMENT BEHAVIOR SUPPORT PLANS FOR OUR YOUNGEST LEARNERS!

Are you struggling to understand and support children who exhibit challenging behavior? Look no further! Our Early Childhood PBIS Tier 3 training is designed to assist all professionals (especially those who deal specifically with behavior) to understand and support children with challenging behavior. Our training combines components from Pyramid Model and Prevent-Teach-Reinforce for Young Children to equip attendees with the necessary tools to de-escalate behavior, conduct a functional behavior assessment, and develop and implement a behavior support plan that is developmentally appropriate for our youngest learners and aligned with the MS Professional Growth System. Our training is applicable to grades pre-K - K and is followed-up with coaching opportunities to ensure successful implementation.

This information-filled, no-cost, online learning opportunity opens on **Monday, January 31, 2024**, closes on **Monday, March 11, 2024**, and has been approved for **0.8 CEUs** and **5 SEMIs**. Once registered, you will receive an email that will provide more details and the information you'll need to access the REACH MS Canvas website. Registration closes on **February 12, 2024**.

Don't miss out on this opportunity! Register now and take a step towards creating a brighter future for our youngest learners! If you have any questions, please feel free to contact us. We look forward to your participation!

Sincerely,
The REACH MS Team
