

FINDING THE ROAD TO SUCCESS!

Office of Compulsory School Attendance Enforcement & Dropout Prevention Summer Conference 2024

Date: June 11-12, 2024

Place: Lake Terrace Convention Center Hattiesburg, MS

Registration Link: [MSRESA Conference Services](#)

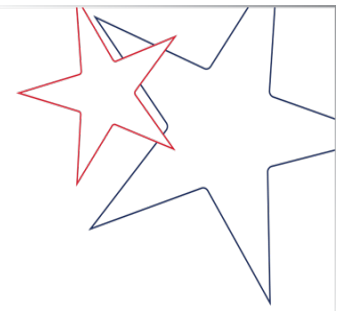

This conference will help attendees in identifying at-risk students before they fail or dropout of school. Truancy is the gateway for students dropping out from school and a key identifier when establishing early interventions. This conference will provide ready-to use navigational tools to assist students in finding the individual road to success.

A team of five (5) from each school district (for example: Point of contact(s) for each of the following areas: Alternative Education, Foster Care and Dropout Prevention; a School Counselor, and a District Administrator) are asked to attend this conference. In addition, School Attendance Officers, Child Protective Services, and the Point of Contact(s) for the Juvenile Detention Centers are also encouraged to attend.

Join us for enlightening sessions tailored specifically for working with the high-risk families. Discover the keys to unlocking student potential and paving the way for success in the classroom and beyond.

- Innovative strategies for identifying and engaging at-risk students
- Empowering at-risk students for lifelong learning
- Building resilience and growth mindset
- Fostering a supportive environment for educational staff and students

FINDING THE ROAD TO SUCCESS!
