

CHALLENGING BEHAVIORS AND SCD TRAINING FOR K-12 EDUCATORS

PBIS INTERVENTION TRAINING FOR STUDENTS WITH SIGNIFICANT COGNITIVE DISABILITIES

Did you know PBIS started as an intervention for students with severe disabilities? Our REACH MS Challenging Behaviors and SCD training offers K-12 educators the opportunity to learn about function-based processes to understand and address challenging behaviors for students with significant cognitive disabilities. This no cost training will help you define target behaviors and identify strategies to improve behavior. It is aligned with the MS Professional Growth System, has been approved for **2.5 CEUs, 20 SEMIs, and 2 OSLs**, and is available online anytime.

Registration begins on July 24, 2024, and ends on January 13, 2025. Prior to the training, you will receive an email that will provide more details and the information you'll need to access the REACH MS Canvas website. **The training opens on Monday, August 12, 2024, and closes on February 28, 2025.**

Join us and be a part of this unique opportunity to enhance your skills, create a more positive classroom environment, and make a difference in your students' lives.

If you have any questions, please feel free to contact us.

We look forward to your participation in the training!

Sincerely,

The REACH MS Team
