

21st Annual ADHD & RELATED CONCERNS CONFERENCE

It Takes a Village

Monday, Oct. 21 - Tuesday, Oct. 22, 2024

Keynote Speaker

Sharon Saline, Psy.D.

Dr. Saline is a clinical psychologist who specializes in working with kids, young adults and families living with ADHD, learning disabilities and mental health issues. Saline lectures and facilitates workshops internationally on topics such as understanding ADHD, executive functioning, anxiety, different kinds of learners and the teen brain.

Learn more at www.drsharonsaline.com.

We encourage attendance by parents, caregivers, educators, therapists and health care providers to learn more about how to help children with ADHD.
