

# A DAY OF DAVINCI

Learning to Let Art Inspire and Inform the Instruction of Science, Technology & Mathematics

MPB Learning is offering an opportunity for free CEUs and a variety of resources for professional development to engage educators in the state of Mississippi in Leonardo da Vinci's lasting influence as an ARTIST, INVENTOR and INNOVATOR.

These workshops and courses will provide a comprehensive understanding of ways to integrate the art and science of Da Vinci into all levels of PK-12 education through insight into his mind and the times that he lived. This program is implemented to amplify the impact of the Ken Burns film "Inside the Mind of a Genius: Leonardo Da Vinci."

To receive three free CEUs, teachers must complete the following steps:

**Participate in one of the live Day of da Vinci professional development days:**

Tuesday, July 23 – Mississippi Public Broadcasting in Jackson, MS

Wednesday, August 14 – Mississippi School for the Arts in Brookhaven, MS

Thursday, September 5 – Mississippi School for Mathematics & Science in Columbus, MS

Thursday, October 3 – Lynn Meadows Discovery Center in Gulfport, MS

Saturday, October 5 – Mississippi Public Broadcasting in Jackson, MS

Thursday, October 10 – at the Mississippi Grammy Museum in Cleveland, MS

**Collaborate with teammates:**

Collaborate with Canvas-assigned teammates to develop instructional plans to implement in their classrooms.

**Begin your student team projects:**

Assign and supervise student team projects, and document them via recording, then submit the recording with an explanation of learning. October 2024 – Teacher/Student Competitions take place.
