- One day training for counselors, teachers, career coaches, CCR teachers and administrators
- MDE and Gear UP are partnering with Get2College and Mississippi Community College representatives to develop a teamwork strategy to ensure post-secondary students are college and career-ready or equipped for the workforce. The upcoming conference aims to add additional focus on AI technology, VR exploration, technological resources, and tools related to college and career readiness and workforce development.
- Maximum 200 participants per session • 9 a.m.-4 p.m. for .5 SEMIS and .6 CEUS

**FREE REGISTRATION  
CEUs & SEMIs**
