

Army Engineering and Construction Camp

Vicksburg, MS

June 8-14, 2025

The Society of American Military Engineers (SAME) is accepting nominations for 40 qualified high school students interested in attending the SAME/Army Engineering and Construction Camp. Students will engage in hands-on engineering and construction activities under the mentorship and supervision of SAME professionals and other volunteers from the local engineering community. The program includes interaction with representatives of architecture/ engineering firms, construction companies, Military leaders, and Corps of Engineers' employees. Other items will include:

- Leadership/Team Building activity
- Geotechnical & Structures Laboratory activity
- Coastal & Hydraulic Laboratory activity
- Information Technology Laboratory activity
- Environmental Laboratory activity
- River Engineering activity
- Computer aided design and drafting demonstrations
- Construction site visit
- Vicksburg Battlefield Engineering activity
- Center for Advanced Vehicular Studies activity
- Entergy Power site visit and activity
- Other hands-on projects and seminars

Applications are open to any qualifying high school student.

Qualifications for consideration, students must:

- Have completed their sophomore or junior year in high school before June, 2025;
- Be on a high school track that will provide a basis for attendance at an accredited college or university (i.e., taking appropriate math and science courses);
- Have an expressed intent to pursue a degree in engineering or associated field (architecture, environmental science, civil, mechanical, electrical or other engineering curriculum);
- Have demonstrated leadership characteristics through participation in extra-curricular, sports, and/or community activities;
- Be physically fit, requiring a doctor's statement;
- Be of high moral character;
- Be an American citizen;
- Camp fee is \$100 for each selected camper

Application Deadline: March 14, 2025
