Statewide Chronic Absenteeism and Dropout Prevention Conference

Chronic absenteeism is a complex, multifaceted issue that necessitates comprehensive solutions.

Join us at The Statewide Chronic Absenteeism and Dropout Prevention Conference, a two-day event that delves into this pressing challenge in K12 education. The Conference features a series of presentations and breakout sessions led by experts in the field, offering insights into innovative strategies and practical approaches for enhancing student engagement and preventing dropout. The Conference serves as a platform for sharing best practices and experiences, fostering a deeper understanding of how to address chronic absenteeism effectively.

Conference Highlights

- **Interactive "How-To" Breakout Sessions:** Dive into practical sessions offering research-backed tools and strategies to boost attendance and student engagement.
- **Best Practices Sharing:** Learn from the successes of educators from Mississippi and beyond, as they share their experiences and strategies in addressing chronic absenteeism and fostering dropout prevention.
- **Networking and Collaborative Planning:** Engage with peers from across the state in meaningful sessions designed to foster connections and collaborative planning, ensuring you leave with actionable strategies to implement in your roles.
