

Join us

for an engaging one-day session
designed to support schools and districts
at every stage of the Innovation process.

THIS MEETING IS OPEN TO:

Current Districts and Schools of Innovation

Districts and schools seeking renewal of
their designation *(required)*

Teams planning to submit an addendum
to an existing plan *(required)*

Districts and schools interested in applying
for Innovation status *(required)*

Participants will gain a clear understanding of the requirements outlined in the 2026 DOI/SOI application, including application components, timelines, waiver considerations, and renewal and addendum processes.

This session will provide practical guidance to help teams develop, refine, and strengthen innovation plans that expand learning opportunities, promote equity, and increase college and career readiness for all students.

Don't miss this opportunity to collaborate, learn, and prepare for success in the District and School of Innovation process.
