

Road to **PREVENT**

MAP YOUR PROFESSIONAL LEARNING JOURNEY!

This Fall, we're hosting an exciting lineup of learning opportunities focused on behavioral threat assessment, prevention, digital safety, and more. Each event is designed to strengthen your knowledge and build toward the 2nd Annual International PREVENT Conference, where you'll learn from some of the most trusted voices in threat assessment.

With events happening across the country and online, you can map your own professional learning journey and join us on the road to Prevent.
