MDEQ MOBILE CLASSROOM

Bring interactive water-quality programs to your students

At no cost to your school

25–40	K–5th	100+	Free
minutes per performance	grade audience	minimum attendance	companion curriculum

KINDERGARTEN – GRADE 2

"The River Town Story"

An engaging, musical, theatrical production that introduces young students to caring for water: what pollutes it and the everyday habits that protect it.

GRADES 3 – 5

"All the Water in the World"

The water cycle, the properties of water and the structure of a watershed, taught hands-on and tailored to your local waterways. Students learn how pollution reaches local streams and how to prevent it.

WHAT YOUR SCHOOL PROVIDES

- Indoor, climate-controlled performance area
- Stage space: 14′ × 18′ for K–2, 8′ × 15′ for grades 3–5 (8′ ceiling)
- Room access 2 hours (K–2) or 1½ hours (3–5) before the show
- Power within 25′ and close parking for unloading
- A host for the presenters from arrival through the performance

Additional education resources from MDEQ are available at: mdeq.ms.gov/about-mdeq/mdeq-virtual-classroom

FOR YOUR CLASSROOM

Water Quality Steward Study Guide. K–5 lesson plans, lessons, labs and quizzes, on a complimentary USB drive for attending teachers and educators and available online at bayoutown.com.

AWARDS
